

A11

Thermal Receipt Printer

The A11 fast printer is the ideal printer for large volume printing in the retail and hospitality business. With a print speed of 250mm/s and auto-cutter, the A11 is suitable for a fast-paced environment where rapid printing of receipt is necessary. It can operate on a wireless and wired network in Wifi and Bluetooth through its swappable interface options.

A11 Fast. Reliable. Compatible. Thermal Receipt Printer

Features

- 2" or 3" Direct Thermal POS Printer with Auto Cutter
- Fast Printing Speed of 250mm/s
- Advanced Reliability for Large Volume Printing
- USB+Serial+Ethernet Interface
- Optional WiFi, Bluetooth Interface
- mPOS friendly. Compatible with Android and iOS
- Drop-in Paper Loading

The **A11** is the latest addition to POSBANK's POS printer family A series. The printing speed of 250mm/s makes it deal for crowded checkout areas and advanced reliability for large volume printing in retail and hospitality segments. For enhanced customer experiences, the A11 is compatible with leading mobile operating systems including Android and iOS.
